

CORAL CLOTHINGS

MANUFACTURER & EXPORTER OF GARMENTS

ABOUT US

Established in the year 2018 with the vision to be a globally renowned garments manufacturer known for unmatched quality, service standards and customer satisfaction, we Coral Clothings are engaged in manufacturing of high quality knitted garments.

Located in Tirupur, the knitwear hub of India, we supply our customers around the globe a wide range of knitwear for Men, Women, Children and Infants.

Our customer centric approach, vast industry experience and strong business ethics help us achieve customer delight in today's highly competitive market.

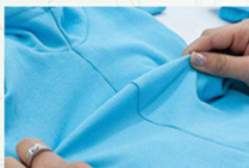

MISSION

To innovate, to lead, to enhance, to provide best -value products and services to global customers.

To make a difference through our branding to stay ahead of fashion trends, market changes and the latest technology.

VISION

We strive to be a global leader in fashion-knit & fashion outerwear by empowering innovation and design to provide total customer satisfaction.

We strive to be a caring and well-managed organization for our business partners, customers & employees and a responsible citizen to our society.

OUR STRENGTHS

Some of our key strengths that give us an edge over our competitors are:

- 🏠 State-of-the-art infrastructure to optimize productivity
- 🏠 Outstanding quality that gives our customers a competitive advantage through superior products
- 🏠 On Time delivery, the first time and every time
- 🏠 Competitive pricing of our goods and services
- 🏠 Experienced workforce with the right skill set to ensure our products are of world-class standards
- 🏠 Ethical business practices for sustainable growth

At Coral Clothings, we produce garments of top-notch quality at competitive prices and ensure on time delivery. We source the finest fabrics to produce precision-tailored garments that meet the requirements of our quality-conscious customers.

We manufacture all types of knitwear for Men, Women, Boys, Girls and Infants for all seasons including spring, summer, autumn and winter.

We have the necessary competencies to manufacture any type of knitted garment in a variety of fabrics and styles.

CAPABILITY

Powered by advanced machinery and state-of-the-art infrastructure with 50 Seats capacity, we manufacture around 75,000 garments per month.

We ensure that every process, right from the procurement of raw materials till shipment of goods, is meticulously planned and executed.

QUALITY

Quality is essential to us and is taken sincerely at all the levels of manufacturing to ensure excellence at every stage of the value chain.

Our highly qualified and experienced professionals perform AQL checks throughout the manufacturing process to ensure we deliver products of very high quality.

ETHICS

We believe in success as the result of our commitment to product quality, on time delivery, our people and to the environment.

Coral Clothings strictly adheres to local and international compliance & regulations governing our business and we are compliant with all applicable social, ethical, environment and quality guidelines.
